Biography:

George McCloskey, Ph.D. is a Professor and Director of School Psychology Research in the Psychology Department of the Philadelphia College of Osteopathic Medicine. He frequently presents at national, regional and state meetings on cognitive and neuropsychological assessment and intervention topics. Dr. McCloskey consults with a number of school districts in Pennsylvania, New York, New Jersey, Connecticut and California on issues related to improving students' self-regulation capacities in the classroom, behavior management, assessment and intervention for executive functions difficulties related to academic and behavior problems, balanced literacy reading and writing instruction, and implementation of RTI. Dr. McCloskey is the lead author of *Assessment and Intervention for Executive Function Difficulties* and author of *Essentials of Executive Functions Assessment*. Dr. McCloskey also has been involved in test development and publishing activities for more than 25 years. He directed the development of the WISC-IV Integrated and was a Senior Research Director and the Clinical Advisor to the Wechsler Test Development Group for The Psychological Corporation (now part of Pearson) and Associate Director of Test Development for AGS (now Pearson).
