**Biography:**

Dr. Duffy is a NYS licensed psychologist and clinical neuropsychologist who has been working with children, adolescents and adults for more than 20 years. After completing his Doctor of Psychology degree from Alfred University, Dr. Duffy pursued a two-year post-doctoral specialization in Clinical Neuropsychology. Dr. Duffy is a Fellow of the American Board of Pediatric Neuropsychology ([theapn.org](http://theapn.org)) and is a Board Certified Pediatric Neuropsychologist. Dr. Duffy conducts child, adolescent and adult psychological and neuropsychological evaluations. He also conducts child custody evaluations as a part of court proceedings. Dr. Duffy is also asked to conduct violence risk assessments when individuals make a threat to harm themselves or others and/or make a threat towards the larger community.
