**Biography:**

Dr. Hall is an Associate Professor of Pediatrics at Oregon Health & Science University (OHSU) and the Co-Training Director of Psychology Fellowships within the Division of Pediatric Psychology at OHSU’s Doernbecher Children’s Hospital. Dr. Hall is the lead neuropsychologist in the OHSU Pediatric Critical Care & Neurotrauma Recovery Program (a follow-up program for children and adolescents with brain injuries and illnesses that required intensive care unit admission; <http://www.ohsu.edu/pncc>).

Dr. Hall received his doctorate in clinical psychology from George Fox University. He then completed internship and postdoctoral fellowship training at the Child Development and Rehabilitation Center (CDRC) at OHSU. Dr. Hall is also an alum of the OHSU Leadership Education in Neurodevelopmental Disabilities Program.
