

AAPdN 6th Annual Conference  
Pediatric Grand Rounds Call for Submissions  
April 24-26, 2020  
***Proposals Due February 1, 2020***

The AAPdN Conference Committee is pleased to announce its call for submissions for our ***Pediatric Grand Rounds***. We will be selecting 3-4 pediatric cases for a presentation during a three (3) hour workshop for a total of 3 CE credits. Oral presenters will present their case, along with supporting research. This will be followed by a discussion/question period led by the Pediatric Grand Rounds Chair and a panel of Pediatric Neuropsychology experts. Audience participation is encouraged. Cases that are appropriate for this format include unique or rare conditions that help elucidate the current clinical and empirical literature, and complicated cases that highlight the multifaceted and complexity often seen in pediatric neuropsychology practice.

Presentation content should cover, at a minimum:

1. Brief overview of the case, including course of illness, neuroimaging, and neurodiagnostics if relevant
2. Brief review of epidemiology and disease process
3. Review of relevant literature as it relates to neuropsychological processes
4. Review of neuropsychological assessment process and findings
5. Conceptualization, recommendations, and suggestions for future research

Please submit an abstract of no more than 300 words in a word document. Author(s) information should be above the abstract, and must include the name, highest educational degree (Ph.D., Psy.D. Ed.D., M.D., MA, MS, MEd, BA, BS, etc.), E-mail address, complete snail mailing address, office telephone number, office fax number, academic/business affiliation(s) of the persons submitting the abstract. The same information is required of all co-authors, who should be listed in order of authorship contribution. The submitting author is responsible for obtaining permission from all co-authors to be listed as a co-author prior to submission of the abstract.

When submitting your abstract, please send electronically with the subject heading: "AAPdN Pediatric Grand Rounds Submission – [first author last name]".

Please submit your proposal on or by February 1, 2020 to:

Grace A. Mucci, Ph.D., ABPdN
